The Masonic Stamp Club of New York was organized in 1934 for the purpose of encouraging research and study in Masonic Philately, and to establish bonds of good fellowship among Masons who are stamp collectors. The need for the organization has proved itself through the years with its ever-increasing membership and the formation of other Masonic stamp clubs in the United States.

#### THE SQUARE OF VIRTUE

A society without standards will be a society without stability, and it will one day go down. Not only nations, but whole civilizations have perished in the past, for lack of righteousness. History speaks plainly in this matter, and we dare not disregard it. Hence the importance attached to the Square of Virtue, and the reason why Masons call it the symbol of their Craft. It is the symbol of that moral law upon which human life must rest if it is to stand. A man may build a house any way he likes, but if he expects it to stand and be his home, he must adjust his structure to the laws and forces that rule the material realm. Just so, unless we live in obedience to the moral laws which God has written in the order of things, our lives will fall and end in wreck.

#### WILL THIS DAY EVER COME TO PASS?

God grant, that not only the love of liberty, but a thorough knowledge of the Rights of Man, may pervade all the nations of the Earth, so that a philosopher may set his foot anywhere on its surface, and say, "This is my country." —Benjamin Franklin, 1759

#### MASONS ON U.S. REVENUE STAMPS

It is suggested that collectors of Masons-on-stamps not overlook the revenue stamp pages of Scott's Standard Postage Stamp Catalog. One will find among the stamps in this section the names of several Freemasons who are not to be found on postage stamps. The revenue stamps listed under the Documentary and Stock Transfer headings are in denominations ranging from 1¢ to \$10,000, each one with a portrait of a different former Secretary of the Treasury, several of whom were Masons and can be included in a Masonic collection. They are:

2¢—Oliver Wolcott, Jr. Born at Litchfield, Connecticut, January 11, 1760. Graduated at Yale College 1778. Served as a war time volunteer until 1781 when he was admitted to the bar and entered law practice at Hartford. He was employed in the financial affairs of the state government, and subsequently, 1784, as commissioner to settle its accounts with the United States. Was comptroller of public accounts of the U.S. 1788-89; auditor of the U.S. treasury 1789-91; comptroller 1791-95; Secretary of the Treasury 1795-1800; judge of U.S. circuit court 1801-02. Removed to New York City in 1802, engaging in merchantile business until 1812. Founded the Bank of North America and was its president 1812-14. With his brother Frederick he founded extensive manufacturing establishments at Wolcottsville, near Litchfield. Was president of the State Constitutional convention 1817, and Govenor of Connecticut 1818-27, after which he resided in New York, where he died June 1, 1833. Oliver Wolcott, Jr. was made a Mason in St. John's Lodge No. 4, Hartford, Connecticut January 28, 1784. He was Grand Master of the Grand Lodge of Connecticut in 1818-1820 while serving as Governor.

5¢ — George Washington Campbell. Born in Tennessee in 1768. Graduated from Princeton in 1794. Served in the U.S. House of Representatives 1803-09. Was elected U.S. Senator in 1811, but resigned in 1814 to become Secretary of the Treasury in President Madison's

George W. Campbell served as Master of Greenville Lodge No. 43, Greenville, Tennessee. He is also reported to have held offices in three other Tennessee lodges: Knoxville Lodge No. 2, Mt. Lebanus Lodge No. 59, and Tennessee Lodge No. 41, all of Knoxville.

50¢—William John Duane. Born in Clonmel, Ireland, in 1780, the son of William Duane, an American journalist. Was on the staff of his father's newspaper "Aurora" in Philadelphia and became a well known lawyer there. Was appointed Secretary of the Treasury early in 1833, but was dismissed from office in September of that year by President Jackson when he refused to withdraw government deposits from the Bank of the United States. In 1816 he was appointed judge of the Supreme Court of the state, and in 1823 was elected governor of New Hampshire. In 1825 he was Speaker of the House of the state legislature and also elected U.S. Senator. In May 1831 he was appointed Secretary of the Navy and in 1834 Secretary of the Treasury by President Jackson and remained in the last-named office till the close of President Van Buren's administration in 1841, when he was again elected to the Senate of the U.S. In 1845 he was appointed a Justice of the U.S. Supreme Court and held that office until his death at Portsmouth, September 4, 1851. In 1865 he was elected U.S. Senator but resigned in 1868 due to poor health. Died March 13, 1869.

#### WHAT DO I GET FROM MASONRY?

I get fellowship with men whom I can respect and trust, men who believe in and practice the golden rule of life. If get inspiration to greater effort to attain to the highest ideals of relationship to my brother man and I get better understanding of my dependence upon and obligation to the Infinite, and peace of mind and soul in obedience to His Commands. I get opportunity to extend to my brother a helping hand 'til he too sees the Light and can teach others to build temples for the indwelling of the Most High. That's what I get out of Masonry, get by putting into Masonry the best there is in me in service to my brother Mason and to brothers who have not yet knocked at the portals of Masonry. -Exchange
