# POSTAGE STAMP CHECK LIST

Class II Masonic-related Stamps  
United States of America  
&  
Canada

# INTRODUCTION

This Check List provides:

1. A listing in alphabetical order of Freemasons depicted on USA and Canada postage stamps along with the applicable Scott stamp number(s).
2. The Scott stamp numbers in numerical order.

If a stamp was given a Scott number, then it is included, despite it being a variation. However, sub-variations are not included. Please consult the Scott Catalog for such variations.

The Scott Catalogs up to the year 2014 were used for the entries.

When new catalogs are available, they will be reviewed for additions and the listings updated accordingly. Please note that in some cases, a stamp is issued in a particular year but its Scott number is not available until the following year. In these cases, the stamp will not be listed until its number is available.

### **Footnotes and General Notes:**

1. Subject cannot be specifically identified on the stamp, however he is definitely one of the two people (astronauts) shown.

2. Subject is not specifically shown in the key to the painting used for the stamp design (i.e., key in your author’s possession—there may be others). However, the key shows seven unidentified delegates so it may be assumed the subject is one of these delegates.

3. Maria Cole, widow of Nat “King” Cole, states her husband was born in 1919, not 1917 as shown on the stamp.

**NOTE 1:** Some stamps in this list depict British royalty figures at an early age (i.e., under age 21). As such, these stamps are optional in a Masonic collection.

**NOTE 2:** The lodge shown for a subject may not be his original lodge. Also, some lodges shown are now defunct.

## NUMERICAL LISTING

This list shows the Scott Catalogue number in numerical order for all of the stamps depicting subjects. If a stamp shows two people who were both Freemasons, the stamp number is repeated. If a stamp shows more than two people, it is identified as a “group” stamp and the Freemasons depicted on the stamp are listed.

**Footnotes and General Note:**

1. Subject is not specifically shown in the key to the painting used for the stamp design (i.e., key in your author's possession—there may be others). However, the key shows seven unidentified delegates so it may be assumed the subject is one of these delegates.

2. Subject cannot be specifically identified on the stamp, however he is definitely one of the two people (astronauts) shown.

3. King is shown as Prince of Wales.

4. King is shown as Prince Albert, Duke of York.

5. Duke of Edinburgh.

6. Duke of Kent.

7. Duke of Connaught.

**NOTE 1:** Some stamps in this list depict British royalty figures at an early age (i.e., under age 21). As such, these stamps are optional in a Masonic collection.
